

# Alicja Kur

## Profile

I am a motivated person who is open to new people and ambitious. When I accomplish something, I always give it my all. I am a quick learner who sets high expectations for myself.

## Employment History

### Supervisor at Castle Topacz Resort&Art Spa, Poland/Śleza, Wrocław

MAY 2021 – DECEMBER 2023

Organizing a variety of events such as weddings, business gatherings, political meetings, communions, and mass events for thousands of people. Managing people during events to ensure that everything runs smoothly. Contact with the consumer directly.

## Education

### Secondary education, Technical school no. 15, Poland/Wroclaw, Wrocław

2017 – 2021

Completion of a technical school with a profession as a computer graphic designer.

I passed two professional exams during this education:

06/2021r- Certificate AU.55 Digital Printing and Print Processing.

06/2019r- Certificate AU.54 Preparation and implementation of graphic works and digital publications.

I am also certified in 3D design and printing.

### Fontys University of Applied Sciences, Eindhoven

SEPTEMBER 2022 – PRESENT

## Internships

### Graphic Designer , Mangolabs, Budapest

MARCH 2020 – MARCH 2020

My task was to create a design for an application that helps people find their way in the mountains. This included a logo, colour palette, the whole concept of the application, communication with the client and a bit of a marketing campaign.
